

Leadenhall Capital Partners LLP is the Winner of Trading Risk's Investor of the Year 2013.

Trading Risk is a widely read and respected source of news on the ILS market and in the award citation the magazine mentioned Leadenhall's strong asset growth and funds' performance as reasons for the choice of Leadenhall as winner. Leadenhall's assets under management have grown from around \$500m at the start of 2012 to over \$1.4bn at the beginning of June 2013 with strong positive returns on investment for both the two mainly non- life funds launched in 2009 and also for the Life fund launched in September 2012.
