

**FOR IMMEDIATE RELEASE**

**LEADENHALL CAPITAL PARTNERS GROWS AUM TO US\$4.2BN**

**London – 16 June 2017**

Leadenhall Capital Partners ('Leadenhall' or 'LCP') a leading investment manager in reinsurance-linked securities, has grown its assets under management to US\$4.2bn, as at 1<sup>st</sup> June. AUM has increased by over US\$800m in the last six months following increased appetite from clients globally following the key 1<sup>st</sup> June renewals of non-life collateralised insurance linked investments.

**Leadenhall CEO Luca Albertini said:** "We carefully plan each renewal date endeavouring to grow our business in an orderly and disciplined way. We lined-up investors for opportunities available in this renewal period to meet the growing combined reach of Leadenhall and of our partners at MS Amlin. Growth in both our non-life and life businesses reflects an increased appetite among existing and new investors attracted by the asset class and our differentiated approach to portfolio construction. We also turned down significant additional investment requests which came too late to be invested in opportunities of sufficient quality at the June and July renewals."

**Lorenzo Volpi, Leadenhall's Head of Business Development says:** "We see sustained interest in the asset class with a combination of existing participants increasing their investment and major institutions from new geographical areas such as Korea, using our funds to gain exposure to the attractive, diversifying returns available from the ILS market."
